

Paul Ramsey

Senior Vice President of Human Resources

Paul Ramsey, Senior Vice President of Human Resources, is responsible for all human resources functions across the company as well as overseeing the development and execution of human capital strategies. Key areas of accountability include compensation and benefits administration, leadership and employee development, talent recruitment and retention, and employee engagement. With more than 30 years of human resources experience in software and other industries for major global brands, Ramsey is an accomplished human resources executive with deep experience across all HR disciplines. Prior to joining Applied Systems, Ramsey built and led the human resources function for CDK Global (formerly ADP Dealer Services), a 9,000 person B2B automotive software company. He has also held senior human resources positions with PepsiCo, Kraft Foods, Viskase and other global companies. Ramsey holds a master's in Labor & Employment Relations from the University of Illinois, and a bachelor's in Political Science from Colorado College.
